# Our Vision

A community and a world in which everyone has a decent place to live.

## Our Mission

Seeking to put God's love into action, L-C Valley Habitat for Humanity brings people together to build homes, communities, and hope through affordable housing.

## Who We Serve

Qualified and approved low- and moderate-income homeowners in need of assistance securing affordable housing and home repairs in Nez Perce and Asotin counties.

## What We Do

At Habitat for Humanity, we believe everyone deserves a decent place to live. By building affordable homes and providing home repairs to low- and moderate- income homeowners, we help preserve and ensure safe, decent and affordable housing in our community.

## Volunteer...

and you can be a part  
of the change you want  
to see in your community.

## We are so excited! *New Location 2025*

Our new ReStore location provides a better shopping experience for customers and creates a more productive workspace for volunteers. Our new space will allow us to grow and develop our ReStore programs and partnerships in the LC Valley. Stay tuned for updates in 2025. - Adam Ashford, ReStore Manager

## Clarkston Affordable Home Repair (CAHR) Program

Working in partnership with the City of Clarkston and Washington State Department of Commerce, L-C Valley Habitat for Humanity (LCV HFH) offers a Clarkston Affordable Home Repair (CAHR) Program.

Shirley Capps' family was concerned about her doing laundry downstairs, so repairs in her home are in progress to move the appliances upstairs. We will also install a ramp to facilitate access to and from her home, remodel her bathroom to be ADA compliant, and repaint the home.

## Meet the Stanger-Clark Family

We celebrated the groundbreaking for our 36th home in the L-C Valley with Anna and Gary Stanger-Clark on November 8. We had a great turnout including members of their family, board members, and staff. Anna's father did the blessing of the building site with his drum in a memorable performance. When finished, the house will become a home for a family of five, selected through the LCV HFH application process.

## Beni & her family moved into 35th home, dedicated on June 7, 2024.

The new homeowner, Beni Welin, is a disabled single mother of 3 children who has overcome many obstacles while living outside of town. She gains better access to her Lewiston support system and reduces her household food insecurity due to a strained budget from her long-distance commute.
